WE BUTTRESS YOUR CASE

Litigation Support

Complex legal cases involving economic damages and the valuation of business interests and assets have increased dramatically over time. The myriad of challenges in preparing for these financial cases can only be appropriately addressed by an experienced valuation expert. Florida Business Valuation Consultants has the expertise in financial, tax, and accounting issues that these cases demand.

We provide comprehensive analyses that are carefully documented and rigorously supported. Plus, our clients receive expert witness testimony from professionals with experience in a variety of industries and cases, including high profile, large-

Our efforts before trial are just as useful as our assistance during the trial itself. From sorting through unwieldy data to analyzing significant tax ramifications, our efforts will facilitate organizing and quantifying pertinent financial information. We also help in the planning stages of a case by developing document requests, preparing for interviews, and assisting in pre-trial depositions.

Our experience and technical knowledge enable us to be highly effective at critiquing the opposing side's valuation work and preparing attorneys for cross examining opposing experts.
